NEW CLIENT FORM

Thank you for choosing The Animal Ophthalmology Center. Our primary mission is to deliver the best and most comprehensive veterinary care available for your pet. Please be aware that we are not a 24-hour emergency facility, as we only have one ophthalmologist on staff. Our hours are Mon-Thurs. 8am-5pm. We are closed Fri, Sat and Sun. If an emergency should arise after hours, please contact your primary veterinarian for a referral to an emergency clinic nearest you. To help us provide effective service, please complete the following information: **PLEASE REFRAIN FROM WEARING SCENTED PRODUCTS (lotions, perfumes, essential oils, etc) TO YOUR APPOINTMENT. If scented products are worn to the appointment, Dr Ramsey may have to examine your pet in another area of the hospital-THANK YOU for your cooperation!!!!**

**Patient's Temperament:** PLEASE inform us PRIOR to exam if your pet may become nervous with restraint or close contact so that we may have you place a muzzle. Even if your pet has never snapped at, or bitten anyone before, our exam requires us to be eye-to-eye with your pet, and can cause some pets to become nervous and/or anxious. Please understand that this is for our protection and will not harm or traumatize your pet in any way. If your pet shows ANY sign of fear or aggression (growling, showing teeth, etc) we will require a muzzle be placed to complete our exam. If you are unable to muzzle your pet when necessary, please understand that we may be unable to attempt or complete an exam. Thank you for your cooperation and understanding!! **IF YOUR PET MAY BECOME AGGRESSIVE AROUND OTHER PETS/HUMANS, PLEASE CHECK IN WITHOUT YOUR PET SO THAT WE CAN MAKE SURE AN EXAM ROOM IS AVAILABLE TO AVOID ALTERCATIONS IN THE LOBBY.**
