FROM M-52 South (Chelsea, Stockbridge, Tecumseh, Manchester)

1. Take M-52 NORTH/Stockbridge Rd. towards Webberville, MI.
2. As you approach the town of Webberville, M-52 will become M-43 when you are driving under the I-96 overpass.
3. Turn LEFT/WEST (at flashing light) onto Grand River Ave./M-43 towards Williamston, MI.
4. Continue towards Williamston on Grand River Ave/M-43 for approximately 4.7miles. You will arrive at a stoplight in downtown Williamston.
5. Continue on Grand River Ave for another 1.5 miles past the stoplight, look for a fire station with a big red roof on your right.
6. Turn RIGHT onto Church Hill Downs Blvd. (just past the fire station with large red roof) to access our driveway.
7. If you arrive at a second stop light (Zimmer Rd.) you have gone too far on Grand River Ave.

****Please note that the addresses in Williamston do not go in order and there are odds and evens on both sides of the road. It is easiest to watch for the fire station rather than looking at the addresses.**
